# solutions that go over BIG

**PUT THE POWER OF LARGE FORMAT PRINTING TO WORK FOR YOU.**

**Here at Edison Litho, we understand the challenges you face – day in, day out. With Edison Litho, you have found the right solution for success.**

## RETAIL

The weekend sales numbers are in and you need to hang new signage in two days to reflect the new pricing. Edison Litho has the answer. With the unmatched capacity and speed of our three on-site KBA large-format presses, we've already reserved a slot on the press for you and we can meet virtually any deadline for all your printing needs.

## PRODUCT MANUFACTURING

For more than 50 years, Edison Litho has delivered the highest quality, creative, cost-effective packaging, temporary displays, in-store décor and signage, and more.

## ENTERTAINMENT

We make your job easier by offering you a single, cost-effective source of supply for all the services you need – production, warehousing, fulfillment and drop shipping to locations nationwide.

## PACKAGING

More competition means packaging plays a more important role in marketing than ever before. Edison Litho offers innovative materials and solutions to help you reach shoppers and the speed to capitalize on new opportunities.

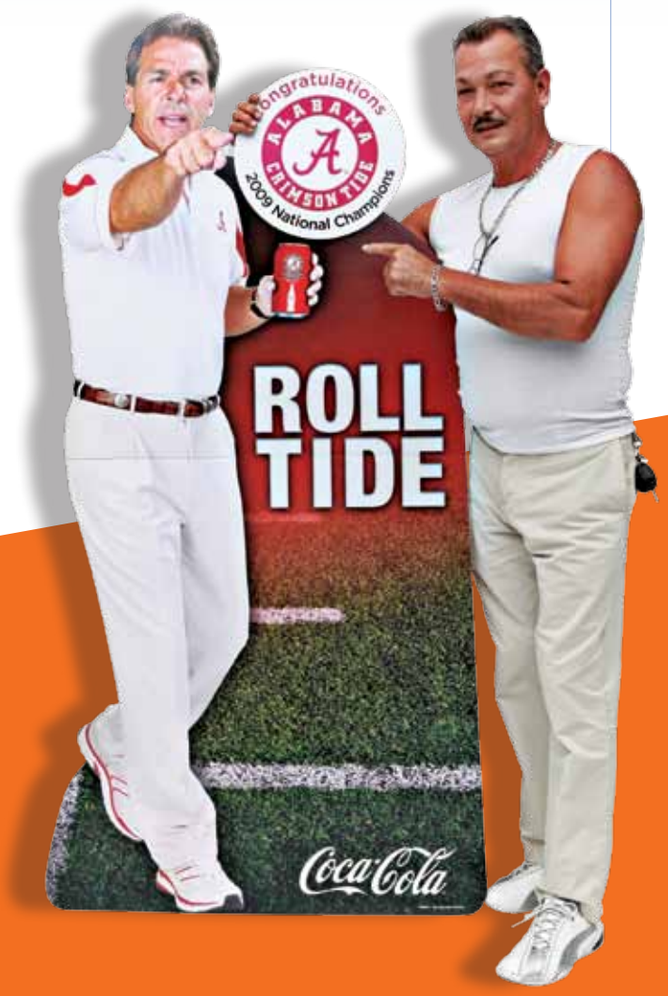
for ALL your printing needs

## PRINTING

We have served North America's largest and most prominent companies from our 75,000 square foot facility since 1958. At Edison Litho, we deliver premium-quality printing regardless of the job, the deadline or the parameters. We offer many capabilities not found at other printers.



## PACKAGING

We offer insight, expertise and flexibility to assist you with the development of your packaging in order to help you build your brand and grow sales.

## POP

Point of purchase displays must be able to capture attention in cluttered retail spaces. From printing to packing to shipping, Edison Litho's attention to detail at every phase of a project helps you to reach your objectives.

## FINISHING & FULFILLMENT

The best printing job in the world has little value if your materials aren't delivered in perfect condition and on time. Our finishing, mailing and fulfillment departments will assemble and kit your job and drop ship them to as many locations as you have, anywhere in the nation.

# think BIG 3x3

**OUR THREE LARGE FORMAT KBA sheet-fed litho printing presses mean your job will be delivered perfectly and on time.**

# We specialize in wide format and high volume printing.

## FAST TURNAROUND

***Nobody likes to wait. You can't afford to!***

- Edison Litho's twin KBA Rapida 205 81" and Rapida 162 64" six-color sheet-fed presses leave competitors behind by more than 9,000 sheets per hour!
- Each Rapida 205 81" does the work of four 40-inch presses – sharper results in less than half the time!
- On-site GMC 64" sheeter lets you customize your paper grade, height and length on-demand.

## VERSATILITY

***What can Edison Litho do for you?***
***Just about anything!***

- On-site presses are capable of printing on a variety of materials, including plastics, foils and styrene substrates.
- We can accommodate even your largest fulfillments and super-large-format jobs in amazingly short timeframes. Maximum sheet size is 59.5" x 81" and stock weights range from as thin as 50 lb. text weight to as thick as 48 pt. SBS.

## QUALITY

***Quality results don't just happen by chance.***

At Edison Litho, it's the result of having the most talented, most experienced and most dedicated individuals in the business working with the best equipment available.

# Edison's customer service makes the BIG DIFFERENCE

*As a new Edison Litho customer, you will quickly discover that we do things differently than other printing companies.*

**Edison Litho's uncompromising standards of quality, creativity and fast turnaround have been refined and perfected through five decades. Our experienced and dedicated team handles the most demanding projects for some of the largest companies in North America. Our full time project manager and production experts will work together with you to ensure that your project goes smoothly. Simply put, we are dedicated to doing whatever it takes to come through for our customers.**

**This, and, of course, the quality of our work, is perhaps the reason why we have the most satisfied and loyal group of customers in the industry.**

# IT'S OUR WORLD.
## HELP MAKE A BIG DIFFERENCE.

### RESPONSIBLE THINKING.

**At Edison Litho, we try to make wise use of natural resources by advocating environmentally-friendly practices and conscientiously recycling make-ready sheets and metal printing plates. Our goal is not only to help protect the planet, but support you in meeting your "green-friendly" goals.**
